XXX HOLLY
Bouquet Green
PLANTS

And Other Xmas Decorations

VAUGHAN'S
XXX HOLLY

Has Deep Green Leaves, with Bright Red Berries in Solidly Packed Cases

Our holly is brought in by experienced packers for many years under contract with us. They select only the true, prickly-leaved type, packed in well made, solid cases. These are opened and reinspected by us at Chicago before shipping.

By this experienced packing and reinspection, we obtain the trade of those florists who cater to houses of elegance and taste.

While other shippers sometimes handle as choice Holly as Vaughan's XXX Brand, yet ours has ***averaged the best, one year with the other.*** Our prices are sometimes 50 to 75 cents higher than common stock. ***Our values*** are more than ***DOUBLE.***

Per case at Chicago or New York $5.50. WRITE for prices on larger lots.

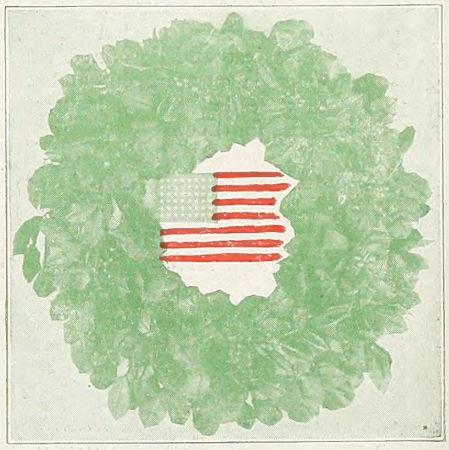
Burlap-lined for Pacific Coast shipments, 50c extra.

Gentlemen—"I am well pleased with the holly you sent me. It was the best I ever received. You can count on me again for a repeater." G. F. ROHR, Naperville, Ill.

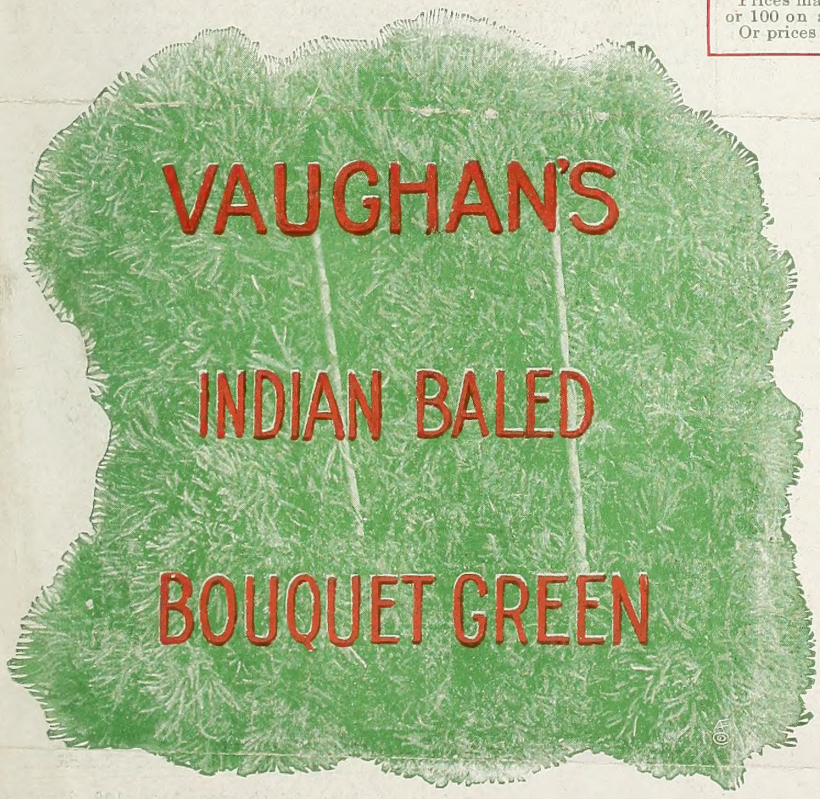
The Vaughan Xmas Wreath

Originated by Vaughan's Seed Store — Shows our regular Holly Wreath, with 8 in. flag inserted and held in position by wire or silk attached to 4 corners: A novel, patriotic and attractive Xmas Emblem.

Prices made-up, per doz. or 100 on application.
Or prices of flags only.



THE VAUGHAN XMAS WREATH



Vaughan's Deep Woods Bouquet Green

(*LYCOPODIUM also called Green Pine, Club Moss*)

Thirty years' dealings in Bouquet Green puts us in position to supply it each season under the most business-like conditions which the nature of the stock permits. The expense of finding new localities and training competent and reliable buyers so increases the cost of this article that the profit is small. We are doing our best all the time to make prompt deliveries with the best stock each season affords.

Write or wire us for prices whenever you are buyers. We ask you especially to give us an inquiry on the day you are ready to buy, as values on green fluctuate greatly and almost daily. Early frosts and snow this fall have made it difficult to procure and the supply is extremely short.

Prices now ready. Write us.
On ton lots write or wire for prices.
